Looking for Therapy?

The Iowa State Wellbeing and Exercise Laboratory is seeking participants for a research study on innovative treatments for depression.

Scan Me:

Visit this QR code link to determine your eligibility for the CBT+ research study.

Contact Information

Abigail Burkhart
Project Coordinator
(515) 294-4929

wellex@iastate.edu

2325 North Loop Dr.
Ames, IA 50010

Who can join?

Adults aged 18-65 with depression

What should you expect?

8 weekly visits of CBT immediately following a viewing of a nature documentary while either resting quietly or cycling.

What will you receive in return?

- 8 weeks of FREE Cognitive Behavioral Therapy (CBT)
- Personalized reports on your physical activity and sedentary behaviors
- Information about local, accessible mental health resources
