

# FIRST Tech Challenge

## Robot Corp

### Enroll as a 4-H club member to:

- Participate in the Robot Corp Club (grades 4-12)
- Participate in FIRST Competitions within Iowa (grades 7-12)
- Explore STEM through programming, designing, building, and more!
- Develop your interests of web design, community outreach, leadership, and teamwork!

### Robot Corp:

- Meet weekly September through December for competition season, then meet monthly for the rest of the program year.
- Adult mentor and volunteer opportunities.
- Meetings primarily by Maxwell with other locations as needed.
